

The Knife that Pays for Itself from Day One!

The Whizard® Power Knife from Bettcher Industries delivers faster, easier and more consistent-quality gyros sandwiches. The ingenious design of the PowerKnife features a unique rotating blade and depth gauge that cuts longer, thinner slices of meat for a fuller, better-looking sandwich.

Not only that, it dramatically lowers food costs, with most operators **increasing sandwich yields an average of 25% per cone of meat.**

With the Whizard® PowerKnife, you can achieve hundreds of dollars in food savings every week, enabling you to quickly recoup your investment and bring added profits to your bottom line.

Finance Program

Even if you make credit card payments on the PowerKnife, it is a business investment that pays for itself from *day one!* (See chart)

Plus, you'll enjoy many other great benefits such as reduced training time, quicker, easier cutting up and down the cone, faster service ... and satisfied customers!
